

Don't put up with engine noise... forget wind roar, with:

COMPACT2K/RJ from Comunica

High performance radio/intercom system built into the ICOM IC-A3/22 radio battery case

- best noise and wind killing...
- best chat and radio comms...
- best comfort...
- toughest (3-year warranted)...
- best value...

choose our ultra-quiet headsets,
 - **PNA2K/RJ**
 (with **BETA** helmets if you wish) or:
 - **SIGMA** helmets with built-in electrics (pictured)...

Don't forget our world first 100kts+ mic windshield:
 - **"ULTI-MUFF"**
 if you fly the fastest open planes!

There's a **"TWIN-JACK"** COMPACT model too, to match standard GA headsets...

choose our world beating ANR Active Noise Reduction headsets:

- **ANA2K/RJ** or:
- **ANA2K/RJ/PRO**
